

Tananai TRENTO DOC

Trento DOC Brut, we are from Trentino and we know how to harvest the good that our land gives, convinced of the excellence of our Pinot Noir and our Chardonnay, Tananai was born... our expression of Borgo dei Posseri in Trentino.

With almost 30% of national production, Trentino is one of the largest Italian producers of sparkling wine. The designation of origin TRENTO is today a point of reference in the sector of classic method sparkling wines. High quality of the grapes, a strict production discipline, rigorous controls in all phases of the process are the ingredients of success. TRENTO D.O.C, the first controlled denomination of origin in Italy reserved for a classic sparkling wine, born from vineyards located on slopes at medium altitude, particularly suitable for the cultivation of vines, in a mountain environment with climates characterized by strong daily temperature variations, able to give grape aromatic complexity and fragrance. Today the mountain bubbles, the result of a centuries-old tradition, a climate and a territory dominated by the snow-capped peaks of the Alps, have only one name: TRENTO DOC.

Features
